Re: *United States v. Larmore*
Case No. 24 Cr. 140 (PAE)

Dear Judge Engelmayer:

The undersigned writes in response to the Court's Order (DE 84) moving the Daubert hearing previously scheduled for Wednesday, October 9, 2024 to Tuesday, October 8, 2024, having been informed that defense counsel had previously scheduled doctors' appointments on the original date. The Court stated that if time did not permit the conclusion of the hearing on Tuesday, the Court would return the following day at a time consistent with defense counsel's medical commitments. The undersigned is grateful for the Court's accommodation. The undersigned is concerned that the Court might not have appreciated that his appointments were at the Cleveland Clinic in South Florida. Under the circumstances, even if the hearing were scheduled after his doctors' appointments, undersigned would not be able to appear in person on Wednesday.

The undersigned has conferred with AUSA Justin Rodriguez and the parties are agreed that this matter should likely be concluded within the allotted time on Tuesday. Nevertheless, I thought Your Honor should be alerted to the possible problem.

Again, thank you for your consideration.

Respectfully,

BRUCE L. UDOLF, P.A.
